

COMMONS REGISTRATION ACT 1965

Reference No 260/D/232

In the Matter of The Sawpit,  
Latteridge, Iron Acton, Avon (NO.2)

DECISION

This dispute relates to the registration at Entry No 1 in the Rights section of Register Unit No.CL.440 in the Register of Common Land maintained by the Avon County Council and is occasioned by Objection No. 611 made by the former Gloucestershire County Council and noted in the Register on 8 January 1973.

I held a hearing for the purpose of inquiring into the dispute at Bath on 6 December 1984. The hearing was attended by Mrs M M Taylor, one of the applicants for the registration, and by Mr D Pullen, an officer of the Avon County Council, the successor authority of the Objector.

For the reasons given in my decision in In the Matter of the Sawpit, Iron Acton (NO.1)(1984), Reference No. 260/D/231 I am not satisfied that the rights the subject of the registration exist. Therefore I refuse to confirm the registration.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
