

COMMONS REGISTRATION ACT 1965

Reference Nos 37/D/90-91

In the Matter of Areas of Manorial Waste,  
Heastmonceux and Hellingly, East Sussex (No. 1)

## DECISION

These disputes relate to the registration at Entry No 1 in the Land section of Register Unit No. CL.121 in the Register of Common Land maintained by the former East Sussex County Council and are occasioned by Objection Nos 196 and 198 both made by the County Council and noted in the Register on 14 August 1972.

I held a hearing for the purpose of inquiring into the dispute at Lewes on 17 November 1978. The hearing was attended by Mr R Greenfield, solicitor, on behalf of Mr A D Green, the applicant for the registration, and by Mr R J Hanson, solicitor, on behalf of the East Sussex County Council.

The land comprised in the Register Unit consists of a number of roadside strips, only two of which are the subject of the Objections. Mr Greenfield informed me that Mr Green did not wish to pursue his application in so far as it related to these two strips.

In these circumstances I confirm the registration with the following modifications:- namely the exclusion of the two strips of land the subject of the objections.

I am required by regulation 50 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law, may within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
