

COMMONS REGISTRATION ACT 1965

Reference Nos.37/D/53-5.

In the Matter of Ditchling Common.Ditchling, East Sussex (No.2)DECISION

These disputes relate to the registration at Entry No.12 in the Rights Section of Register Unit No.CL 16 in the Register of Common Land maintained by the former East Sussex County Council and are occasioned by Objection No.106 made by Ditchling Common and Tenantry Down Ltd and by Objection No.148 made by Mr R.H.Horner and Mr E.T.Wood and both noted in the Register on 30th October 1970.

I held a hearing for the purpose of inquiring into the disputes at Lewes on 19th November 1974. The hearing was not attended by any person entitled to be heard, but the Clerk of the Commons Commissioners was informed by the solicitors for all the parties that it had been agreed that the registration should be modified in accordance with Objection No.106. These letters were not technically a consent upon which I could give a decision without a hearing, but having heard nothing to the contrary at the hearing, I confirm the registration with the following modification:- namely by the deletion of the words "and (b) 16 sheep" and the substitution of the words "or (b) 8 sheep".

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this ~~13th~~ day of December 1974

Chief Commons Commissioner
