COMMONS REGISTRATION ACT 1965

Reference No. 216/D/63

In the Matter of Land north of Stream, Warrengate Lane,
Hartsmere, Hertfordshire

DECISION

This dispute relates to the registration at Entry No 1 in the Land Section of Register Unit No.CL.244 in the Register of Common Land maintained by the Hertfordshire County Council and is occasioned by Objection No. 81 made by the Marquis of Salisbury and noted in the Register on 7 October 1970.

I held a hearing for the purpose of inquiring into the dispute at St.Albans on 26 January 1983. The hearing was attended by Mr J R Newman, Solicitor, on behalf of the Hertsmere Borough Council, the successor authority of the former Potters Bar Urban District Council, the applicant for the registration. There was no appearance by or on behalf of the Objector, but by a letter dated 20 January 1983 his Solicitors informed the Clerk of the Commons Commissioners that he would withdraw the objection.

In these circumstances, in reliance on the scintilla of evidence in the statutory declaration made by Mr A C Bonser in support of the application for the registration, I confirm the registration.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
