In the Matter of land forming (another) part
of the Green, Litchborough, Towcester R.D.,

DECISION

These disputes relate to the registration at Entry No.1 in the Land Section of Register Units Nos.V.G.27 and V.G.28 in the Register of Town or Village Greens maintained by the Northamptonshire County Council and are occasioned by Objections Nos. 20 and 21 respectively made by the said Council and noted in the Register on 19th October 1970.

All persons entitled to be heard at the hearing of these disputes have agreed upon the terms of the decision to be given by me and have sent to the Clerk of the Commons Commissioners particulars of such terms signed by or on behalf of all such persons, which terms are that part of Register Unit No.27 consisting of the strip of land on the north side thereof shown coloured red on the plan annexed to the said particulars was not part of the village green at the date of registration but then was and still forms part of the public highway and that accordingly the Parish Council agree to the withdrawal of their registration of the said land coloured red as town or village green and the County Council withdraw their objection to the registration of the remainder of Register Unit No.27 and of the whole of Register Unit No.28 as town or village green.

I am willing to give a decision in accordance with the proposed terms and I accordingly confirm the registration at the said Entry in the Land Section of Register Unit No.28 without any modification and confirm the registration at the said Entry in the Land Section of Register Unit No.27 with the modification a strip of land on the north side of the land comprised in such Register Unit and shown coloured red on the plan annexed to the said terms to be removed from the Register.
