

COMMONS REGISTRATION ACT 1965

Reference No. 26/D/18

In the Matter of the Village Green,
Laxton, Oundle and Thrapston R.D.,
Northamptonshire.

DECISION

This dispute relates to the registration at Entry No.1 in the Land Section of Register Unit No.V.G.50 in the Register of Town or Village Greens maintained by the Northamptonshire County Council and is occasioned by Objection No.41 made by the said Council and noted in the Register on 19th October 1970.

All the persons entitled to be heard at the hearing of this dispute have agreed upon the terms of the decision to be given by me and have sent to the Clerk of the Commons Commissioners particulars of such terms signed by or on behalf of all such persons, which terms are that this dispute is now settled on the basis that the undermentioned strips of land forming part of the said Register Unit were not village green at the date of the registration but then were and still form part of the public highway and that accordingly the Parish Meeting agree to the withdrawal of their registration of the said strips of land as town or village green, the County Council withdraw their objection to the registration of the remainder of the said Register Unit as Town or Village Green and the Rural District Council agree to this settlement.

I am willing to give a decision in accordance with the proposed terms and I accordingly confirm the registration with the following modifications:- There is to be removed from the Register (a) a strip of land ten feet in width abutting the highway known as Bulwick - Harringworth Road along the south side of the Green, and (b) strips of land six feet in width abutting the highways along the other two sides of the Green, i.e. the north-west and east sides thereof; which said strips are for the purpose of identification shown coloured red on the plan attached to an agreement dated 31st August 1972, received in the office of the Commons Commissioners on 26th September 1972, signed on behalf of the County Council, the Parish Meeting and the Rural District Council, and setting out the terms upon which the dispute relating to the land comprised in this Register Unit has been settled.
