

COMMONS REGISTRATION ACT 1965

Reference No. 228/U/116

In this matter of Holme Lane, east
of the village of Low Marnham, in
Marnham, Bassetlaw District, Nottinghamshire

DECISION

This reference relates to the question of the ownership of land known as above described being the land comprised in the Land Section of Register Unit No. CL53 in the Register of Common Land maintained by the Nottinghamshire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no one claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Nottingham on 14 May 1985. There was no appearance at the hearing.

In the absence of any evidence I am not satisfied that any person is the owner of the land and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision in sent to him, require me to state a case for the decision of the High Court.
