

COMMONS REGISTRATION ACT 1965

Reference No. 228/D/14-15

In the Matter of Land at Wharf Lane and Moor
Road Laneham

DECISION

This dispute relates to the registration at Entry No 1 in the Land Section of Register Unit No. CL.72 in the Register of Common Land maintained by the Nottinghamshire County Council and is occasioned by Objection No. 24 made by G P Barber and noted in the Register on 19 November 1971.

I held a hearing for the purpose of inquiring into the dispute at Nottingham on 13 January 1981. The hearing was not attended by any person entitled to be heard. The Clerk to Laneham Parish Council had written to this office of the Commissioners on 7 January 1981 stating that the Council did not intend to proceed with its application for registration.

For these reasons I refuse to confirm the registration.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
