

COLEMONS REGISTRATION ACT 1965

Reference No.31/D/33

## In the Matter of Home Bowdler Hill. Hope Bowdler, Salop (No.2).

## DECISION

This dispute relates to the registrations at Entries Nos.1 to 4 in the Rights Section of Register Unit No.CL.89 in the Register of Common Land maintained by the former Salop County Council and is occasioned by Objection No.O22 made by Mr.G.E.Preece and noted in the Register on 17th September 1970.

I held a hearing for the purpose of inquiring into the dispute at Shrewsbury on 13th June 1974. The hearing was attended by Mr.J.P.Scarratt, solicitor, on behalf of Mr.S.T.Willis, who applied for the registration of a right of common over the land comprised in the Register Unit, and by Mr.J.C.Bowdler, solicitor, on behalf of the Objector, who had also, apparently as a precaution, made two applications for the registration of rights of common over the land comprised in the Register Unit. Mr.C.W.Jarrett and Mr.S.F.Hyde, the other applicants for the registration of rights of common did not appear and were not represented.

No evidence was called in support of the registrations.

In the absence of any evidence I refuse to confirm the registrations.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 42 day of July 1974

Chief Commons Commissioner
