

COMMONS REGISTRATION ACT 1965

Reference No. 270/D/97-100

In the Matter of Dry Carr Common

DECISION

This dispute relates to the registration at Entry Nos. 1-7 (inclusive) in the Rights Section of Register Unit No. CL 404 in the Register of Common Land maintained by the former West Riding County Council and is occasioned by one or more of the following Objections No. 1510, 1511, 1512 and 1513 all noted in the Register on 24 November 1971.

I held a hearing for the purpose of inquiring into the dispute at Bradford on 13 May 1982. The hearing was attended by Captain F R Scholefield. No one appeared to support the application at Entry No. 1. Captain Scholefield informed me that he had acquired the interest in Castle Carr Park of the persons described as owners at Entry No. 2.

Captain Scholefield withdrew the applications at Entry Nos. 2-7 inclusive.

For these reasons I refuse to confirm the registration of any Entry in the Rights Section.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
