

COMMONS REGISTRATION ACT 1965

Reference No. 214/D/147

In the Matter of Parish Pound,
Curdridge, Winchester City, Hampshire

DECISION

This dispute relates to the registration at Entry No. 1 in the Land Section of Register Unit No. VG 180 in the Register of Town or Village Greens maintained by the Hampshire County Council and is occasioned by Objection No. OB 638 made by the same Council and noted in the Register on 6 December 1971.

I held a hearing for the purpose of inquiring into the dispute at Winchester on 21 March 1979. At the hearing (1) Curdridge Parish Council on whose application the registration was made, were represented by Mr A E M Shave one of their members: and (2) Hampshire County Council were represented by Mr E Mason senior assistant solicitor with the Council.

Mr Mason said that the County Council had agreed with the Parish Council that I should confirm the registration with the modification hereinafter specified. I consider I ought to give effect to this agreement, so (Mr Shave being agreeable), I confirm the registration with the modification that there be removed from the Register a strip 3 feet wide measured from the edge of the carriageway as now made up.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 27th - day of April - 1979.

C. A. B. Miller

Commons Commissioner
