

COMMONS REGISTRATION ACT 1965

Reference No. 45/U/174

In the Matter of Recreation Allotment at
Clifton, Connisborough Parks, Doncaster R.D.,
Yorkshire West Riding

DECISION

This reference relates to the question of the ownership of land known as Recreation Allotment at Clifton (formerly called Tod Hill), Connisborough Parks, Doncaster Rural District being the land comprised in the Land Section of Register Unit No. VG.149 in the Register of Town or Village Greens maintained by the West Riding County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Wakefield on 6 February 1974. At the hearing, Connisborough Parks Parish Council were represented by Miss V. Dunford, one of their members.

Miss Dunford said that the Parish Council had no evidence of ownership and that she only attended for the purpose of hearing whether any other person claimed.

In the absence of any evidence I am not satisfied that any person is the owner of the land, and I shall accordingly direct the West Riding County Council, as registration authority, to register Connisborough Parks Parish Council as the owner of the land under section 3(3) of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 15th day of February 1974.

A. A. Baden Fuller

Commons Commissioner
